Ilkley Half Marathon 2019

Ilkley Half Marathon 'Race Makers'

Sunday 14th July 2019

Ilkley & District Roundtable are delighted to be hosting the inaugural Ilkley Half Marathon on Sunday 14th July 2019. Starting at 10:30am, the race will offer 2000 competitors of all shapes, sizes and running experience the opportunity to test themselves over 13 miles in some of Yorkshire's most beautiful surroundings.

Thanks to our generous sponsors, the support of our local authorities and of course our runners, we are able to provide an event that we are confident will become staple of the Yorkshire running calendar raising funds for good causes in Ilkley and surrounding areas.

Ilkley Round Table are incredibly grateful for the support of local individuals, groups and organisations who have generously given their time and helped to make the Ilkley Beer Festival such a success over the past 12 years. The Ilkley Half Marathon promises to be another great event for our town and we would very much appreciate your help in making it a success.

We are seeking over 200 volunteers to help with a range of roles from Race Marshalls to supporting visitors in our event village and would be grateful for as much time as you can afford in preparing for the race, the event itself and the inevitable post event clear up. The roles and a brief description are set out below on the following page

Please could volunteers fill in the attached form and return by 30th April either by email to volunteers@ilkleyhalfmarathon.co.uk or postal return to :-

Nick Winterbottom
10 Low Wood Rise
Ilkley
LS29 8AZ

Once we have collated responses we will be in touch to confirm roles and provide details of volunteer briefing sessions, joining instructions and details of the post event celebration which we hope you can join us for.

On behalf of Ilkley Roundtable, Thank you in advance for your support

Regards

Nick Winterbottom

Ilkley Half Marathon Team
